LONGMAN

Dictionary

of American

English

Longman's *Dictionary of American English* is the most comprehensive and up-to-date dictionary of American English available. It contains over 200,000 entries, including words from all regions of the United States, as well as words from Canada, Australia, and New Zealand. The dictionary is designed to be a valuable resource for students, teachers, and anyone who wants to learn more about the English language.

The dictionary features a clear and concise layout, with entries arranged in alphabetical order. Each entry includes a definition, a pronunciation guide, and a list of related words. The dictionary also includes a comprehensive index and a glossary of difficult words.
